## 4 incumbent trustees prepare slate

### Haley heads ticket, will run for mayor

Four village trustees are putting together a ticket for the Apr. 19 election.

They are headed by Michael J. Haley, who has decided to run for the office of mayor. Robert C. Wilton, the present mayor, announced recently that he won't be a candidate for re-election.

Mayor Wilton was married last Saturday and will be moving to Mundelein, although he will still run the Wilton Electric Shop on Antioch's Main Street.

HALEY, ONE OF THE village's six trustees, said his ticket will include three other current trustees. William H. Seemann and Ronald J. Cunningham will seek re-election as trustees and Judy Phillips, recently appointed to a trustee post, will seek a term as a member of Haley's ticket.

Also seeking a trustee post on the ticket is Donald H. Amundsen, chairman of Antioch's zoning board of appeals and a former member of the village planning commission.

In addition to the mayor's job, there will be four trustee vacancies in the April election. A fifth trustee, Arnold W. Weber, was re-elected in 1975 and has two years remaining on his current term.

**S'NO GAME TODAY ...** Notice how snow on bleacher seats keeps people from coming out and sitting on them? Winter has silenced the fun at Antioch's Little League baseball park (above) and at the high school athletic field (right). But, be patient, in about 100 days or less there will be activity galore at the two sites ... believe it or not, the time will come again when athletes will be running around that high school field in shorts and skimpy jerseys.

## Sign ordinance being revised

By BETSY ROSSEN

There'll be some changes made ... in Antioch's sign ordinance.

A special committee, composed of village board, plan commission and zoning board of appeals members, discussed amendments to the law for three hours last Wednesday. Although the committee will meet again at 7 p.m., Wednesday, Feb. 2, three amendments seem probable.

**PROMINENT AMONG** the three is a change from 300 feet to 150 feet for minimum frontage needed for a free-standing sign. A business would need 300 additional feet for a second sign; 450 feet for a third.

Under this new guideline, the McDonald's restaurant 24-foot sign would be conforming. Owners Alex Karis and Chris Schenk have a

189-foot frontage on Orchard St.

McDonald's owners are expected to withdraw their petition for a variance to the present ordinance.

**AS THE ORDINANCE** now reads, signs may only include the name and type of business. Recommended by the committee is the allowance of a featured brand name.

The third change involves redefinition of a sign's area to be only the basic outside dimensions. For

instance, the open space within the McDonald's arches would not be included in the total area.

**VILLAGE OFFICIALS** are uncertain whether a public hearing is required to effect ordinance amendments.

Some feel the changes are comprehensive enough to necessitate one.

## Out-of-towners in brawl here

Three young men, one possessing a jackknife, staged a brawl on Antioch's Main St. at 3:15 a.m. Sunday.

The fight was broken up by Antioch police officer Harold Mason.

Richard C. Nelson, 29, of Spring Grove, was arrested for disorderly conduct and aggravated assault. Two young Chicago men, Stephen M. Just, 21, and John E. Martin, 20, were charged with disorderly conduct.

Nelson admitted owning the jackknife used in the fight. He had cuts on three fingers and Just had several cuts on his right cheek, according to police.

Mason said he saw them fighting on the hood of a car. They broke a 3 by 6-foot store window during their donnybrook.

THE SIXTH TRUSTEE, J. Irving Walsh, also was re-elected in 1975 and has two years remaining. However, Walsh has announced that he will run for mayor this April as an independent candidate.

So far, Walsh, Haley and Henry J. Gillman Jr. of 448 Edgewood Dr. are the three announced candidates for mayor. Gillman is making his first try for political office.

VILLAGE CLERK MARILYN STERBENZ is seeking re-election as an independent.

Vern (Barney) Barnstable, a former trustee, also has taken out petitions to run for one of the trustee vacancies.

In 1973, when Wilton was elected mayor, his ticket included Haley, Seemann and Cunningham, all of whom were elected.

that McDonald's threatened to move to Lindenhurst if not permitted to construct their 24-foot sign. Mayor Robert Wilton said he has not heard that from anyone connected with the restaurant. At a public hearing conducted by the zoning

board in mid-December, plan commission member Mike Teeley asked Bruce Albinak, McDonald's real estate agent, "Are you blackmailing Antioch? Will approval of your request affect your coming here?" He responded, "I hate to admit it, but we'll be here regardless."

# Home has 2 windows broken

The vandalism that has destroyed numerous Antioch store windows apparently was confined to one home during the past week.

Crest Lane reported to police that two windows were broken at her home, apparently by a BB gun. The windows were 2½ by 3 feet.

## Along the way with ANNIE MAE

Drivers approaching the intersection of Rt. 83 and Grass Lake Rd. can get mighty confused these days.

Drivers are directed to "stop at line." One little problem: no line.

Maybe that's why that corner sometimes seems like the starting line at the Indy 500!

GLAD TO KNOW that Dick Radke is doing well after open heart surgery last week (and that his friends gave him an early surprise party the week before for his birthday yesterday).

His wife, Dolly, tells us that he is to be released from St. Luke's Hospital in Milwaukee any day now.

Get will wishes are also sent to Peter Leider, who had back surgery in Highland Park Hospital. Send cards to 718 Glenview Rd., Highland Park, Ill. 60035. He's in room 237-A.

ANOTHER BJ has come to town! Bill and Shirley Patterson became the proud parents of Brian James last Wednesday. Congratulations to Dad, Mom and brother Billy.

Jan. 14 was a big day for Gerald and Beverly Koch, because it brought the birth of Adam Eugene. Adam has a three-year-old sister, Melaney.

LONG DISTANCE birthday wishes are sent to a pair of former Antioch residents.

Belated greetings go to Lenora Price, who celebrated yesterday. She and her husband, Bruce, now live in Arizona, where he is serving with the Air Force.

And tomorrow is birthday time for Jane Verkest out in California.

HERE IN ANTIOCH, world famous Bill Georgeson's birthday is the 28th. Be sure to wish Wanda Oftedahl a happy birthday this Saturday, too.

Happy birthday, Ryan Tomaschik! The little guy will be four years old Feb. 1.

## St. Peter's parish plans election

On Apr. 30, three members of the St. Peter's school board (Dr. Jack Boarini, Paul Eckert and Shirley Gutowski) will have completed their terms. The parish will vote for replacements.

To provide for a smooth transition in selecting their replacements, the school board has developed procedures for nominating, qualifying, and electing members. Terms are for a period of three years. Members may serve a maximum of two elected terms.

An election committee will be appointed annually by the school board chairman.

THE ELECTION will be held on Apr. 3. Voting will take place after each Mass (including the 5:30 p.m. Mass on Apr. 2). All adult parishioners or parents of St. Peter's school children are eligible to vote.

Election results will be published and announced on Sunday, Apr. 10.

Candidates for board membership must submit their petitions to the principal no later than 3 p.m. Tuesday, Mar. 8. Petition forms will be available at the school office beginning Feb. 1. Names will appear on the ballot in the order petitions are filed.

## The Town Crier

JOHNNY CARSON SUGGESTED the other night that, since President Jimmy Carter was giving pardons to all those who refused to fight, perhaps he should include the Minnesota Vikings.

Watching Gerald Ford enjoying golf with Arnold Palmer on television last weekend makes us happy for him that he lost the election.

Isn't it frightening that losing the Presidency of the United States seems preferable to winning it? The nation's lunatics won't be trying to assassinate Mr. Ford during the next four years.

Antioch's mayor, Bob Wilton, was married last Saturday to Annaliese Buck of Mundelein.

We're very happy for that wonderful couple, but Antioch is losing an outstanding mayor. He won't run for re-election in April because he'll be moving to Mundelein.

Mayor Wilton did such a fine job during the last four years that, if he were running for re-election, he probably would be unopposed.

Bob and Annaliese were united in marriage by Rev. Steve Williams at the United Methodist Church in Antioch. Ann's son, David, was best man and the three bridesmaids were Patti Wilton, Bob's daughter, and Linda Buck and Carol Steffenhagen, Ann's daughters.

Stuart Good sang the wedding prayer, accompanied by Mabel Lou Weber on the organ. After the ceremony, they enjoyed a family dinner at the Colony House.

On Sunday, close friends from Antioch and Mundelein attended a reception for Bob and Annaliese in Mundelein.

IF YOUR ADDRESS is Rt. 2, Box 390, it probably will be changed soon. In fact, changes are planned for all rural Antioch addresses. Names of streets will be used instead.

Postmaster Gerald Ehrhart and

HEAR YE, HEAR YE!

the Chamber of Commerce are getting their heads together to work out a system that will help the rescue squad and the police and fire departments to immediately determine the location of an address in rural Antioch.

We called Brad Ipsen, secretary-treasurer of the Chamber, and he told us:

"We're going to try to get away from route and box numbers. All streets in rural Antioch have names and we're going to work with the post office to number the houses and give them street addresses. The house number probably will be the same as the present box number."

Postmaster Ehrhart is a member of the Antioch fire department and Ipsen is a member of the rescue squad.

Their idea not only will help emergency teams, but will coincide nicely with the new community map being printed by the Chamber.

### St. Peter's seeks blood donors Feb. 19

Would you like to give the precious gift of life to someone in need? You can - by donating a pint of blood Saturday, Feb. 19, during St. Peter's Church's fifth annual Red Cross blood drawing held in the social center.

A PINT of blood will ensure a donor's family and relatives, wherever they may reside, that any need they might have for blood during the coming year will be fulfilled.

Anyone 17 years or older can participate. If each person in the parish who is eligible gives that one pint, the quota of 180 pints will be reached and all parishioners will then be guaranteed of the availability of blood for their needs and those of their families.

Donor pledge cards will be distributed at Saturday evening and Sunday Masses Feb. 5-6.

Ellen Barr Ipsen and Gloria Grealis will confirm the appointment time by mail.

If you do not receive a donor pledge card, call Mrs. Ipsen at 395-2884 or Gloria at 395-1643. Baby sitters will be provided for young children of donors.

### Will Carter go all-out to curb inflation?

By RONALD REAGAN

Now that he is President, it is time for Jimmy Carter to put his money where his mouth is.

Actually, it's your money, but to hear the Carter people talk about how much revenue would be "diverted" from the Treasury by tax cuts, you would think that every nickel in the U.S. economy belongs to the Federal government except those it decides to let the people keep.

If the Carterites really believe that, the American market system is in for a very rough four years.

During the pre-Inauguration weeks, Carter and his economic advisers danced back and forth over their economic "stimulation" package, keeping everyone guessing about Federal job programs and tax cuts.

#### CONVENTIONAL WISDOM

So far, they seem to be accepting the conventional wisdom that across-the-board tax cuts are fiscally impractical and politically impossible.

At the rate they are going, Carter's economists will probably end up with a mixture that includes some Federal job programs and selective tax cuts. The results will be predictable:

The job programs will be launched with fanfare, will sputter, then fade away. The tax cuts will put \$100 or so in a few thousand pockets - once - and the dollars will then find their way under mattresses or into savings accounts and refrigerator and car payments.

What the economy needs, of course, is not a little pump priming, but an all-out effort to curb inflation. As it is, workers (both blue collar and white) are penalized when they get cost-of-living wage increases that throw them into higher tax brackets. Often, the value of the increased income is nullified. And higher wage earners, facing the even steeper progression of high marginal tax rates, simply don't have the incentive to work harder to earn more.

Indexation - adjusting tax rates to take into account the impact of inflation - should actually bring more, not less, money into the Treasury. With incentive goes productivity; hence, an expanding economy. Broad gauge tax cuts in the Harding-Coolidge years and in the Kennedy years produced revenues above the Treasury's predictions.

#### A BOLD PRESIDENT?

This, combined with restraint in growth of Federal spending can bring inflation under control and generate jobs in the process. It would take a bold President Carter, though, to push for indexation.

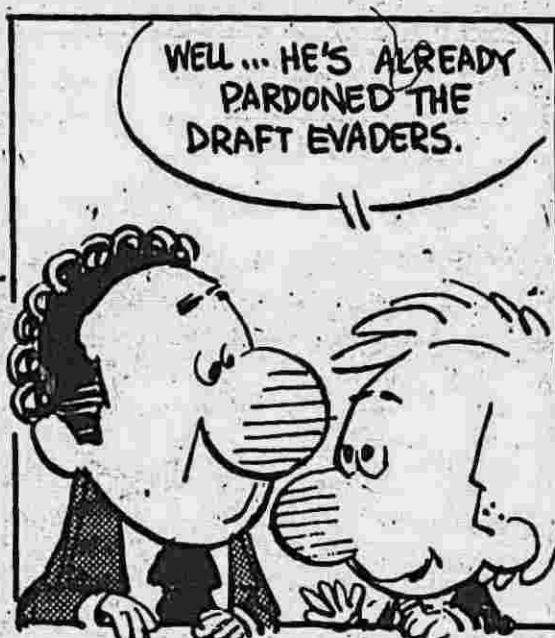

It would take an even bolder Carter to push for removal of the double taxation of dividends. Yet, even George Meany ought to applaud the idea. Increasingly, union pension funds are becoming major shareholders in American business and industry. These, along with the 30 million or so individual shareholders (many living on modest incomes), make up a formidable group of citizens who are being shortchanged for owning shares in America's market economy.

There has been a lot of talk in the news media about business and industry's need for large amounts of new capital for plant replacement and expansion. One incentive for attracting it would be to end double taxation.

Whether Carter makes such bold moves remains to be seen. If he does, he will be showing his faith in the American people and their economy. If he doesn't, it may mean the Robin Hoods have his ear instead of the quiet folks out there whose elbow grease and brains keep the country going.

There is happiness and pain, and one helps you to appreciate the other.

## Pausing People who need people

By BETSY ROSSEN

Good times and learning times shared with friends — that was last weekend for me.

I served as maid of honor for Kathy Brock Whitby, whose friendship and concern I treasure in my memories of Purdue. We struggled (she less than I) through journalism courses, shared a common love of punny humor, and had our disagreements and understandings.

**SHE AND DAN** are moving to Nashville. It seemed an appropriate time to run the following piece, which Kathy wrote last spring following graduation:

"People! People important to you, people unimportant to you, cross your life, touch it with love or carelessness and move on."

**THERE ARE PEOPLE** who leave you and you breathe a sigh of relief and wonder why you ever came into contact with them. There are people who leave you and you breathe a sigh of remorse and wonder why

they had to go away and leave such a gaping hole.

Children leave parents.  
Friends leave friends.  
Acquaintances move on.  
People change homes.  
People grow apart.  
Friends love and move on.  
Enemies hate and move on.

**YOU THINK** of the many who have moved into your hazy memory. You look on those present and you wonder...

I believe in God's master plan in lives. He moves people in and out of each others' lives, and each leaves his mark on the other.

You find that you are made up of bits and pieces of all who ever touched your life, and you are more because of it, and you would be less if they had not touched you.

**PRAY GOD** that we may accept the bits and pieces in humility and wonder, and never question — and never regret.

Bits and pieces."

## ABC's of Travel

**Domestic and  
International**

By BARB CORBIN

Trans World Airlines has published a consumer information booklet specifically designed to detail the special services available to the disabled

BARB CORBIN

traveler and the airline's policy on assisting the handicapped passenger.

It is titled "Air Travel for the Handicapped" and can be obtained from all TWA ticket offices.

THE PAMPHLET emphasizes the need for the physically handicapped person to inform the airline or travel agent about the exact nature of the disability at the time his reservation is made. All too often the client never tells us.

By having this information ahead of time, we are in a better position to arrange for pre-boarding, recommend appropriate seating or reserve a wheelchair if it is needed.

Other special services provided by the airline include free carriage of collapsible wheelchairs in the baggage compartment for easy access at the end of the flight and special meals for those restricted to diets for health reasons.

FLYING TODAY is simple and convenient for the handicapped, providing we know about it at the time of reservation.

There is an increasing number of disabled persons who are taking trips, so let's make it easy for all concerned: let us know, don't wait until you arrive at the airport.

## ATTENTION PRESS RELEASE WRITERS!

The Antioch News suggests the following guidelines for publicity chairmen and correspondents.

1. News deadline is noon Monday.
2. Articles must be typed and double-spaced.
3. If a typewriter is inaccessible, print legibly and double space, but do not use all capitals.

## Army engineers ask more river study funds

The Army Corps of Engineers asked Congress last week to appropriate a quarter million dollars to continue its extensive study of the Fox River Valley Basin, U.S. Rep. Robert McClory (R-Ill.) announced.

THE \$250,000 request for the Fox River Valley is contained in the Corps' budget recommendation sent this week to Congress. The money earmarked for the continuing study is intended for next year (the fiscal year ending Sept. 30, 1978).

"The purpose of this study is to plan for maximum utilization of the Fox River and its tributaries," said McClory. "This includes domestic water supply, recreation, flood and pollution protection, and environmental safeguards."

Three previous Congressional appropriations for the Corps' study,

first authorized in 1973, have totaled \$665,000. With approval of the new request, federal investment in the vital waterway serving Kane, Lake and McHenry counties will total \$915,000.

HOWEVER, THE CORPS estimates the total project will cost \$1,761,000, leaving a balance of \$846,000 to be the subject of future appropriations. The next step for the new request is approval by the House Appropriations Committee, the congressman said.

"Without the support of such leaders as members of the Kane County Board, Kenneth Fiske of the Regional Soil Conservation District in Woodstock, and Bill Brook of the Chain-o-Lakes Commission, this succession of federal grants would have never been possible," McClory noted.

## Next Week or Next Month May be Too Late ...

# Thousands expected at Ice Fishing Derby

By CHARLES P. RAYMAN

On Saturday and Sunday, Feb. 12 and 13, the Northern Illinois Conservation Club and its associate, the 885 Civic Club, will hold the 17th annual Ice Fishing Derby on Channel Lake.

This popular event has, in previous years, upwards of 6,000 persons to fish, observe and otherwise participate in the two-day schedule of dog sled races, lively fishing competition, children's games, auction and fun on the ice.

**THIS YEAR'S SCHEDULE** includes an even larger and richer cornucopia of major prizes with the grand prize being a Zenith Family Home Entertainment Center composed of a color TV, AM-FM stereo and tape deck valued at more than \$1,700.

This elegant console is followed by a trip to Las Vegas for two persons, a CB radio and antenna, a 10-speed Varsity Schwinn bicycle, a Jiffy ice auger, a Massey Ferguson roto tiller, a Marlin .22 caliber rifle, "His & Hers" down jackets, a Charmette grill, an Evinrude trolling motor and a giant Schefflera Plant.

**THIS GALAXY IS FOLLOWED** by several hundred other prizes for largest fish taken in several events daily, for best hole drillers, for several winners in adult and children's games and other categories of competition.

As in previous years, a two-day schedule of dog races will be carried on by the Lake Villa sled dog club and its members and affiliates.

Some teams will be driven by men and some by women, but all will be responding to the cry, "MUSH, MUSH" to win valuable prizes and to set track records.

Races start between 10 and 11 a.m. on both days with both speed and distance being objectives. These races have been covered by both radio and TV because of their wide-spread appeal to both young and old.

**RABBIT-FOOT-EQUIPPED** fishermen and others who are just naturally lucky will win prizes for catching the largest northern pike, walleye pike, black bass, striped bass, bluegills, sun fish, crappies and bullheads. Sizes will be carefully certified by game wardens.

The largest fish of each species caught each will be worth a prize as will the largest of each species caught each day.

In addition, the largest fish caught each day will bring home a prize for its captor, also the oddest fish netted each day.

To future and present fishermen the clubs have given an opportunity to win valuable prizes by releasing more than 320 fish of several types into Channel Lake in recent weeks. A number of tagged fish released for the 1976 Derby have been caught in the interim and any caught during the year following the 1977 Derby will be awarded prizes.

THE SNOWMOBILE PATROL of the Lake Feb. 12-13 to assist the local conservation County sheriff's department will be at Channel club during its 17th annual ice fishing derby.

**EVENTS SCHEDULED INCLUDE** ladies and children's fishing contests, men and women's ice auger contest, men's chisel contest, ladies, men's and children's sack races and egg-pitching events for men, women and children.

Smaller children will scramble and grasp for \$25 in pennies and other coins planted in hay piles.

Prizes for the most colorful, as well as the best ice shanties are scheduled, plus prizes for the oldest man and woman fishermen.

The minnow-guessing contest, too, has always proved popular.

The Derby will start officially at 9 a.m. each day and the first prizes are awarded at 10 a.m., followed by hourly awards throughout the day.

Rules governing the fishing contests will be posted in the Derby headquarters building.

**ACCESS TO THE DERBY SITE** on Channel Lake is available through several avenues, but many persons use the entry at Mark's Place, (formerly Mr. Wonderful's) at Steve's Channel Inn or other resorts with parking throughout the area.

State and sheriff's police will be on hand to assist, as will snow patrols if needed.

Hot food and refreshments will be served each day until 4 p.m.

Following the conclusion of the derby, winners of major prizes will be posted.

## Madlock and other Cubs to play basketball here

A few weeks ago P.K. Wrigley said he would trade Bill Madlock "to anyone foolish enough to want him."

Wonder how Madlock feels about this?

You'll have the opportunity to ask him yourself Saturday, Feb. 5, when he and other Cub stars play at the high school.

Other Cubs playing that night will be Jose Cardenal, Steve Stone, Ray Burris, Rick and Paul Reuschel, Steve Swisher and "Tarzan" Joe Wallis. The Cubs' basketball team is managed by Greg Schumacher, a former football lineman with the Los Angeles Rams.

The opposition for the Cubs will be teachers from Antioch High School. Representing Antioch will be Jeff Dresser, Harold Abramson, Ron Halpern, Gerry Sandberg, Rick Brown, Don Zeman, Mark Guthrie, Roger Alm, Steve Scott, Doug Collins, Steve Miklautsch, Chip Eberman, Jim Curtis, Mike O'Brien and Ken Kasuboski.

Larry Wagner's jazz band from the Upper Grade School will entertain.

Some of the proceeds from the game will go to

the PTA scholarship fund.

The Antioch Jaycees are selling tickets at the State and First National Banks, The Limerick, the World Famous Village Pub, The New Place, Smiley's Corner, Kodiak Sporting Goods, Stanley's Menswear, BJ's Fashions, and most area schools.

THE ANTIOCH JAYCEES are in the process of putting together a basketball team.

If you are interested in playing with the Jaycees or against them, call 395-5043.

In the past, the Jaycees have organized charity challenges, with the losing team donating to a favorite local charity of the winning team.

The Jaycees' meeting this week is Thursday, 8 p.m., at Osborne's Resort.

Mike Teeley will be introducing the Jaycees to the environmental programs being used in local schools.

"If you are between 18 and 35, come out and meet the Jaycees. If you need a ride call 395-5043," said Bill Anderson, internal vice president.

## Skating party here

The Antioch Parks and Recreation Commission will sponsor an ice skating party from 5

to 8 p.m., Sunday, Jan. 30.

Originally scheduled for December but postponed due to bad weather, the event will be held at Osmond Park. Special attractions include races for all ages and a family relay race.

Skaters can also look forward to hot chocolate and a bonfire.

## PM&L stages comedy here in February

PM&L continues a successful season with the Neil Simon comedy, "The Sunshine Boys."

The popular Broadway show and movie will be performed on stage in Antioch Feb. 12, 18, 19, 25 and 26. Curtain time is 8:30 each night.

The plot hinges on two old vaudevillians called Lewis Clark who haven't worked together in 11 years or spoken to each other in 12.

Clark's nephew manages to reunite the difficult pair for a television "history-of-comedy" special. The results are both hilarious and touching.

When the show opened on Broadway, Time magazine described it as "crippingly funny" and "two unbridled hours of laughter." TV critic Leonard Harris said in his review, "You wanna laugh? Go. Laugh."

Tom Hausman and Don Beveroth play Al Lewis and Willie Clark.

Both actors are familiar to PM&L audiences. Beveroth, who also directs "The Sunshine Boys," appeared this season as kidnapper Sam Blake in "The Ransom of Red Chief" and Grobert in "Carnival." He is from Paddock Lake.

Hausman, of Antioch, directed "The Ransom of Red Chief" and delighted audiences with his performance as B.F. Schlegel in "Carnival." Most recently he was seen in "Black Comedy."

Larry Bersie of Wildwood is the nephew-agent, Ben Silverman. Bersie was the Hero in "Dirty Work at the Crossroads" and Pop in "Pajama Game."

Other members of the cast include Pam Guardi of Waukegan as Nurse and Antioch residents Ricky Apostol as the registered nurse, Dick Dyer as the TV director, Ray Lewis as Eddie and Hank Apostol as the patient.

Box office prices are \$3 for adults and \$1 for student. For reservations call 395-3055.

## CLC NEWS

"RULES OF the Road for Older Americans," a free program offered by the College of Lake County, will continue classes during February. Since the program began last October, 140 area residents have studied for their driving tests.

People 60 years of age and older may choose from four locations each month. Those wishing to enroll must pre-register and should attend all three sessions at the same location.

Locations include the college, First Presbyterian Church of Libertyville, Leisure Village auditorium and Grant Township hall.

## Names in the NEWS

**NORMAL-BLOOMINGTON** - Sandra Lindberg and Kirk Moran of Antioch are among 1,254 students at Illinois State University recognized for their scholarship. They are included in the dean's list for the fall

semester that ended Dec. 17.

Students who make the list have achieved grade-point averages that place them in the top 10 percent of their respective colleges at the university.

## Mime artist performs at CLC

A mime artist who began his career in the streets of New York City will perform for area residents at the College of Lake County in Grayslake.

Keith Berger, known once as the "New York street mime," has since performed at hundreds of concerts and colleges throughout the country.

THOUGH HE USES the traditional white-face makeup, Berger considers himself as more of an actor-dancer and illusionist.

The typical Berger program

includes eight to 10 scenes such as "Ropes," in which Berger discovers a rope and gets all tied up in it. In "The Fight," Berger plays both bully and victim.

BERGER, AGE 24, will perform at CLC at 8 p.m., Saturday, Feb. 5 in the Orange Court. The event is part of the performing arts series. Admission to those not holding season tickets will be at the door.

Ticket information is available in the activities office at 223-6601, ext. 410.

The Antioch News hopes you have a happy day.

Arnie gets Barbara,  
Jack gets Winnie

By JERRY PFARR

There is something wrong with the world of sports.

It just isn't coming up with the big stories anymore.

The only two interesting items we've noticed lately are that Evel Knievel is going to jump his motorcycle over a pool of toothless sharks, and that a Japanese karate expert plans to fight a 600-pound Bengal tiger and kill the animal with a blow between the eyes.

Dull stuff.

REMEMBER BACK in 1973 when two New York Yankee pitchers swapped wives, kids and pet dogs? Now that was a story that captured people's imagination! Why can't they come up with more hot items like that?

Whoops! Wait a minute. The bells just started ringing on our teletype machines and they're clicking out some shocking news:

LIGONIER, Pa. (AP) -- Arnold Palmer looked up from putting practice today and announced that he is swapping wives with Jack Nicklaus.

"But don't make this out to be cheap," said Palmer, echoing the words used by Yankee pitcher Fritz Peterson in 1973 in a similar announcement.

"Jack also gets my kids, my horses, my jet, my laundry and my army," said Palmer, hitching up his trousers. "After all, he's my best friend."

How does your wife feel about this, Arnold?

"It's no big deal. I'm never home

anyway. Say, look at this - if I move my thumb just a little bit to the left ..."

COLUMBUS, Ohio (UPI) -- Jack Nicklaus, contacted at his local bank here today, admitted it was true -- he is swapping wives and lives with his good friend, Arnold Palmer.

"The idea came to us the other day as we were walking down the 15th fairway," Nicklaus revealed. "Arnie asked me, 'How's Barbara?' and I said, 'Barbara who?'"

"It was then that I realized I haven't seen her since the wedding," Nicklaus shrugged, cashing a check for \$150,000.

"Everything. The whole works," Nicklaus said. "After all, Arnold is more than a friend. Without his contributions to the game, we golfers would still be playing for a dime a hole. I owe my whole life to Arnold."

Then Nicklaus thought for a moment. "Except my putter," he snapped. "He doesn't get my putter."

LAKE GENEVA, Wis. (AP) -- Quarterback Joe Namath, surrounded by friends at the Playboy Club Resort here, said he is disturbed by a new trend that seems to be sweeping the sports world.

"It's disgusting," said Namath. "Athletes are supposed to set a good example for other people. You don't have to worry about that sort of thing happening in professional football. No sir, I ain't swapping with nobody."

# Antioch hosts Wauconda Friday

Wauconda's Bulldogs come to Antioch for a basketball game Friday night and it should be quite a duel.

Wauconda got its first win in eight conference games last Saturday, beating Round Lake 81-63. "We put it all together," said the Bulldogs' coach, Gary Rajkowski. His boys made 56 percent of their shots.

But if Wauconda thinks it's hot, wait till it meets the Antioch varsity in Friday's 8 o'clock game here.

ANTIOCH IS FRESH from last Saturday's 67-53 win over Jacobs' Eagles. And last Friday the Sequoits played a fine game here before losing to Stevenson's excellent team 70-60.

Antioch, an up-and-coming team, now has a 5-3 record for second place in the league's northern division. Grant is tops with a 7-1 record.

Coach Roger Andrews' Sequoits also will play Saturday night, traveling to Lake Zurich. Sophomores play at 6:45 and the varsity teams at 8.

LAST WEEKEND, junior Bill Dubek led Antioch scorers with 16 points against Stevenson and 21 against Jacobs.

Senior Pat Houghton had a good weekend, swishing three of five shots against Stevenson for six points and then hitting on six out of nine against Jacobs to finish with 12 points.

Junior Tim Huebner scored 12 against Stevenson and 10 against Jacobs. Another Junior, Brian Andrews, had 11 points against Jacobs and Tracy Sodman hit 9 against Stevenson besides leading the team in rebounding.

COACH ANDREWS SAID his Sequoits "played a very aggressive, sound ball game against the veteran Stevenson Patriots," who now lead the conference's south division with a 7-0 record.

"Our team really played hard and adjusted the many changes in defenses set up by Stevenson," Andrews said. "Our Sequoits showed a lot of class and fought the rugged Patriots nose to nose, taking nothing and standing their ground."

Many observers thought the officials lost control of the game in the second quarter when Antioch was leading 29-26. The rugged play gave the Sequoits some trouble and the Patriots used their muscle to run off 10 points and gain a 36-29 halftime lead. That turned the tide.

John Eder, replacing Brian Andrews who was in foul trouble, played very well and did a good defensive job for Antioch in the second half. Coach

Andrews credited Tim Huebner with a very good game, "a solid, all-around performance and a super job on defense, holding Stevenson's star, Mark Cordes, to 16 points - 10 below his conference average."

AT JACOBS LAST SATURDAY the Sequoits put together their second consistent game to enjoy a 67-53 win. They dominated the boards, getting 43 rebounds to Jacobs' 22.

"The fine shooting of Houghton and Dubek beat Jacobs' zone defense," Andrews said.

"Two consistent victories," the coach added. "The team is coming of age. It was good to see Pat Houghton have a fine game, Tim Huebner get 13 rebounds and Bill Dubek find his shooting eye."

"The team is becoming very aggressive on the boards and the defense is improving, too," Andrews said. "Consistency by all players has helped a great deal."

ONE OF THE REASONS Antioch's Sequoits lost to Stevenson here last Friday was an athlete named Andy Farrissey (right), shown batting away an attempted shot by Antioch's Dennis Korjenek. Farrissey's aggressive play was typical of the style Stevenson has used to remain unbeaten in conference games.

# Sequoits were almost as strong as Stevenson

By MIKE WITT

In almost any sport, strength plays an important factor. The stronger of two equally-talented players almost always has an advantage.

Anyone who has seen George McGinnis of Philadelphia perform on the court has witnessed what a great asset strength can be - especially under the boards.

The Stevenson Patriots dished out their noticeable muscle advantage all over the court enroute to a 70-60 bone-jarring win here last Friday.

ANYONE WHO BELIEVES basketball is not a contact sport should have placed themselves at the Antioch High gym.

The Patriots play a very physical game and the young Sequoits, not to be outmuscled, stood up to them, and almost got out with a win.

But on the way, the Sequoits found themselves in foul trouble. Bill Dubek and Brian Andrews fouled out, and Tim Huebner and Tracy Sodman each had four fouls.

Steve Pilcher and John Eder played well in relief roles, but in the end Stevenson had too much muscle and experience.

The Sequoits started out real well and held a 19-16 first quarter lead. With about three minutes remaining in the first half and Antioch holding the three point edge, Stevenson ran off 10 points and carried a 38-29 lead to the lockers.

THE SEQUOITS PLAYED Stevenson even in the third period, and made their move in the last stanza.

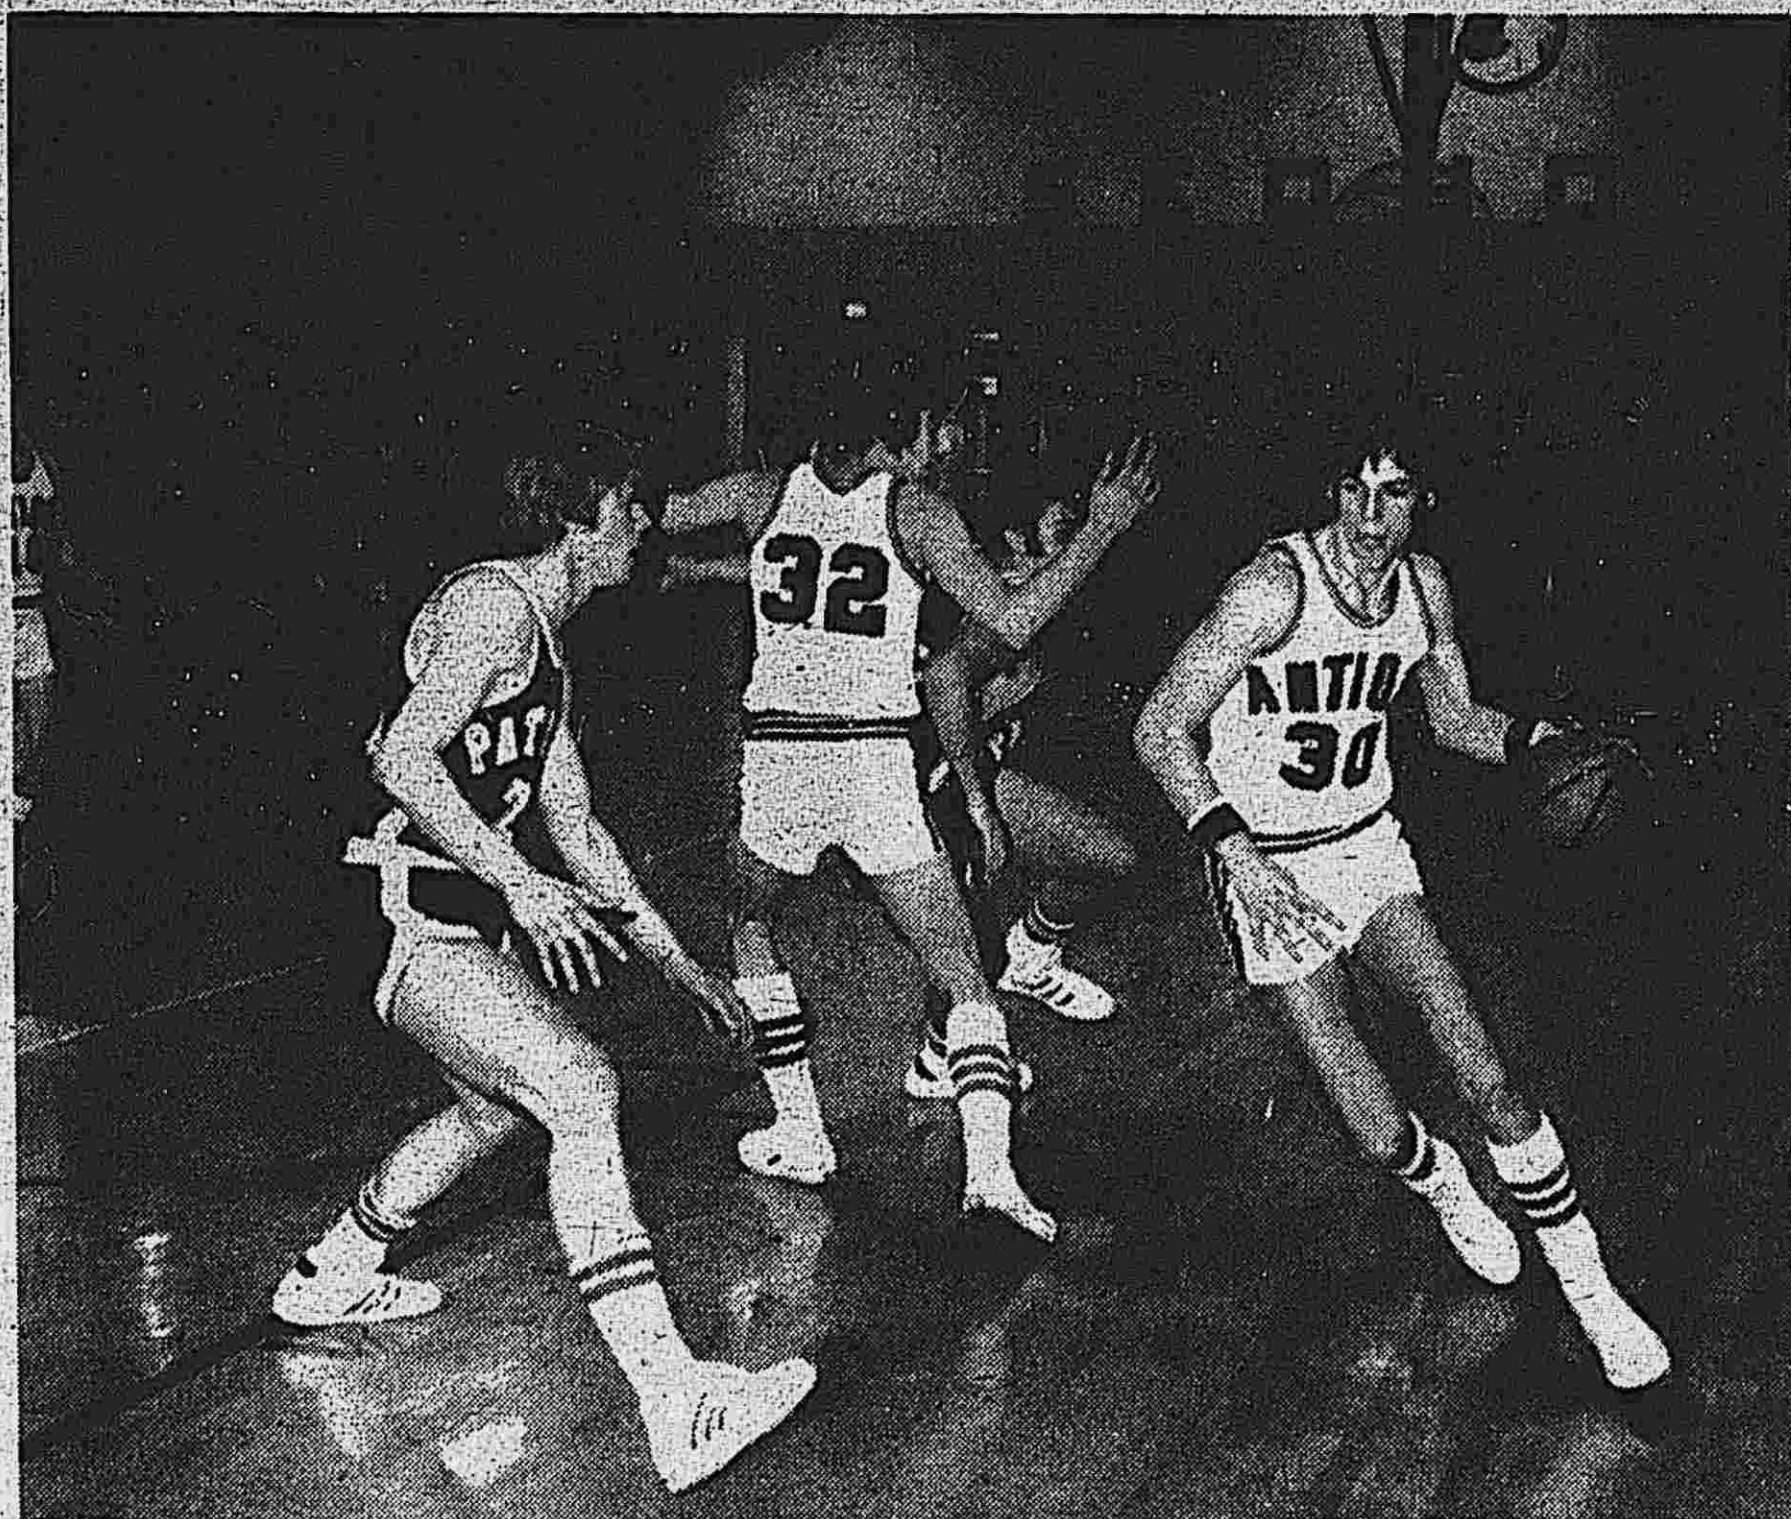

With about five minutes to go, Antioch trailed by only 54-50, and seemed to have the momentum going.

But Mark Cordes, Stevenson's leading scorer (who hadn't played much in the second half due to foul trouble) re-entered the game, and quickly put the contest out of reach.

The Patriots placed four players in double figures, and extended their conference record to 7-0.

The Sequoits were paced by Dubek with 16 points and Tim Huebner with 12. Their record now stands at 4-4, and 7-10 overall.

Most teams and its fans can get discouraged

LEADING ANTIOCH'S SCORERS again last weekend was Bill Dubek (30), shown driving for the basket against Stevenson. Teammate Tracy Sodman (32) helps screen a Stevenson defender.

with a 7-10 record, but it's hard to get down on this team when you realize nearly all these players will be returning next season; thus, even a losing effort can be encouraging, as this one was.

The Sequoits did not back down in this one. Dubek, Sodman and Tim Huebner went to the boards well, and while they didn't look like George McGinnis, they held their own weight.

TOM HUEBNER SHOWED he's not afraid to

put his nose on the floor to get the ball, and Pat Houghton had one of his finest games this season.

Dubek gunned in some bombs under pressure to keep the game close, and Tim Huebner showed some extended range as well as perfect free throw shooting (4-4).

Andrews, Houghton and Dennis Korjenek handled the ball with confidence and didn't let Stevenson's pressing tactics upset them.

A team can get much stronger in a year, and when these two teams meet again the outcome could be much different.

But don't look to next season for a win. If the Sequoits can keep up this style of play this weekend, they should sweep over Lake Zurich and Wauconda. Those teams haven't beat Antioch in umpteen years.

## Antioch's sophomores are 8-0 in conference

The Antioch High School sophomore basketball team continued its winning ways in the conference last weekend with exciting victories over Stevenson and Jacobs.

The sophomores, now 8-0 in the conference, hosted Stevenson on Friday and withstood a strong second half rally by the Patriots for a 43-39 win.

Scott Gallagher and Bill Ranker led the Sequoit scoring with 12 points each. Ranker also led the rebounding with 11, followed by Roger Korjenek and Mike Lischewski with 8 and 7 rebounds respectively.

ON SATURDAY, the Antioch sophomores traveled to Jacobs High School for a battle of the conference unbeaten.

As expected, it was a see-saw battle throughout, with the lead

changing hands many times. But for the second night in a row the young Sequoits showed their poise under pressure and emerged with a hard-fought 52-47 victory.

Mike Lischewski provided the scoring punch with a season-high 34 points, including 10 of 11 clutch 4th quarter free throws.

Lischewski also led the rebounding with 6, with Chris Oddsen and Bill Ranker grabbing 5 rebounds each.

Dave Gutowski was also cited by Coach Don Zeman for his floor leadership and hustling defensive work.

The Sequoit sophs, now 12-4 overall, will seek to extend their unbeaten conference record this weekend when they entertain Wauconda Friday at 6:45 p.m. and travel to Lake Zurich Saturday.

# Sequoit wrestlers face county's best Saturday

The wrestling Sequoits had a busy weekend, meeting five teams.

The wrestlers beat Warren 30-20 and Cary-Grove 27-21 Friday night, then beat Freeport 44-12 and McHenry 41-16 Saturday while losing to a strong Rockford Boylan team 34-15.

The four wins and one loss runs the Sequoits' record to 13-4. The conference record stands at 8-2.

John Kakacek, 138, and Rich Gorski, 167, won five matches over the weekend.

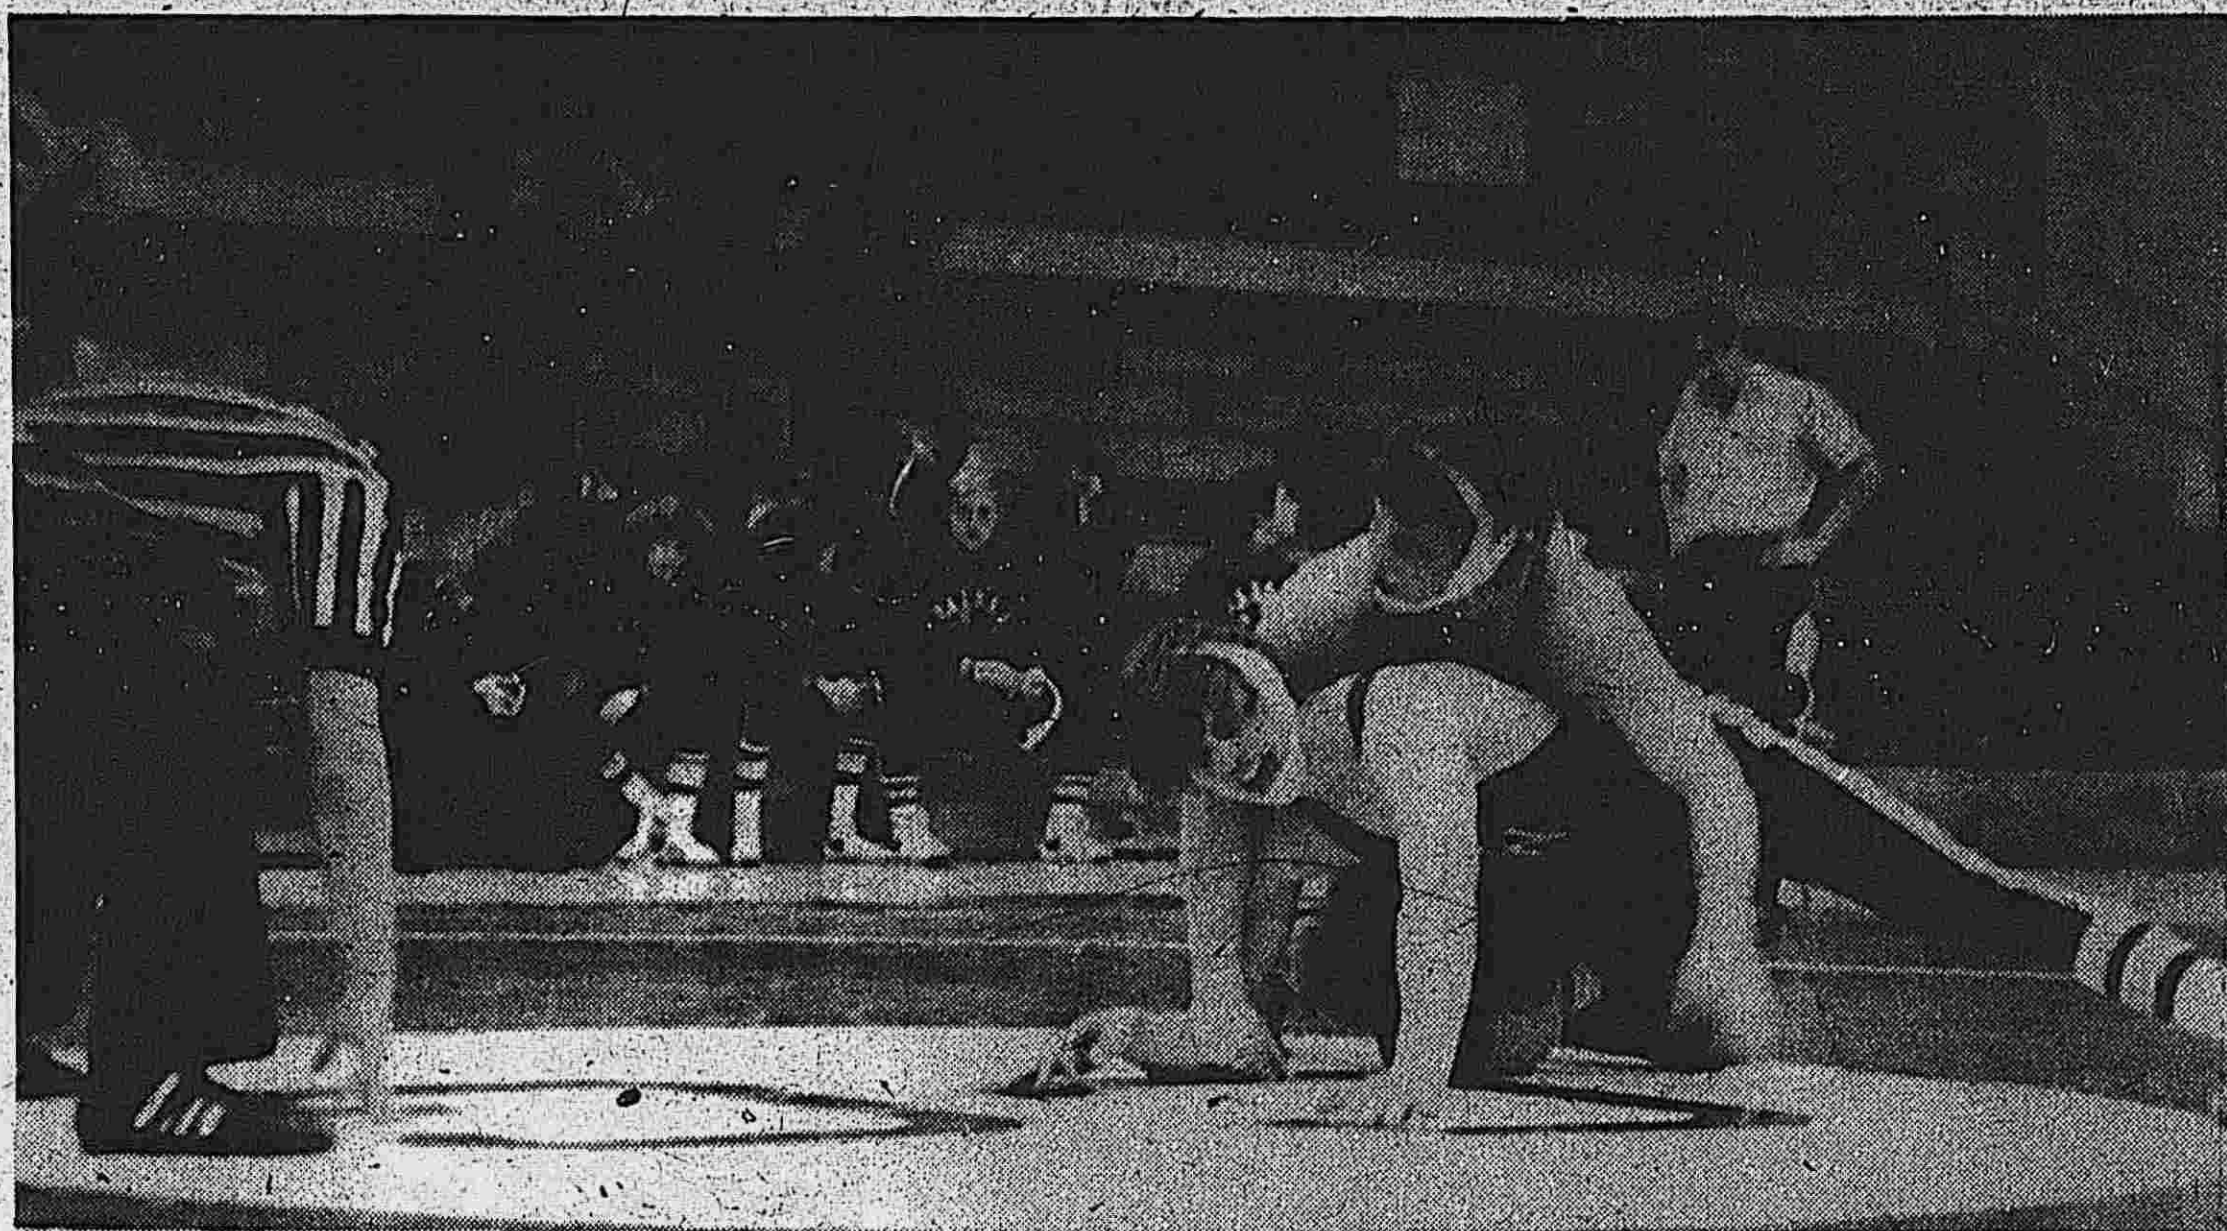

Other winning Sequoits included Jon Gibson (98) 3-2, Bob Gossman (105) 4-0-1, Jeff Gross (112) 3-1-1, Marvin Gibson (119) 3-1-1, Geoff Nordstrom (155) 3-2 and Keith Kaht (145) 4-1.

This weekend will be the last of the dual meet schedule and the remaining two foes are strong.

Friday night the Sequoits travel to Wauconda to take on the Bulldogs. Both teams are currently in third place in the Northwest Suburban Conference.

Saturday the wrestlers entertain the county's leading team, Highland Park, at 1 p.m. The meet will be on the varsity level only. The underclass teams are competing in tournaments that day.

The varsity conference tournament will be wrestled Feb. 5 at Grayslake. If the Sequoits can beat Wauconda Friday night and hold on to third place in the conference dual meet standings, they still have a chance at the conference title.

ONE OF ANTIOCH'S wrestling stars, Rich Gorski, scored a 7-2 win over Gary Peters of Warren last week. Gorski and other members of Coach Ted DeRousse's Sequoit varsity will

return to the home mats at 1 p.m. Saturday when they take on the county's top-ranked team, Highland Park. (Paul Maplethorpe photo.)

## Frosh matmen top Warren

Antioch's wrestling freshmen notched two more victories last week by defeating Cary-Grove 47-18, and outlasting Warren, 38-20.

The win over Cary-Grove gave them the opportunity to gain sole possession of second place in the NWSC title race. The double win gave the Sequoits a 15-1 season record.

IN THE WARREN match, the Sequoits gained pins from Mike Fox (1:03), Jim Davis (1:27) and Mitch Lasco (1:50).

Decision winners for Antioch were Dave Unrein (7-0), Phil Bielawski (3-2), Mark Abear (7-2) and Brian Beal (9-1). Steve Cooper had to settle for a 2-2 draw with his Warren opponent, while Chuck Bogaerts had his impressive 19-match victory string broken.

AGAINST THE Trojans of Cary-Grove, the

Antioch matmen winning with pins were Dave Unrein (1:41), Mark Abear (3:25), Brian Beal (3:56) and Mike Fox (1:58).

Decision winners included Ron Vos (5-2), Rob Crowell (4-1), Phil Bielawski (8-2), Steve Cooper (10-2) and Chuck Bogaerts (10-1). Scott Buxton gained two forfeit wins for the afternoon.

THE SEQUOITS complete the 1976-77 freshmen schedule this weekend with their final NWSC match at 6:45 p.m., Friday, Jan. 28, at Wauconda.

On Saturday Antioch will join teams from Dundee, Fenton, Hoffman Estates, Jacobs, Naperville Central, Palatine, Rolling Meadows, Wheaton Central, Wheaton North, Wheaton-Warrenville and Crown in the Crown High School Invitational Wrestling Tournament.

Wrestling will begin at 9 a.m.; quarter-finals at 11 a.m.; semi-finals at 2 p.m. and finals at 4 p.m.

## Heubner brothers are 1-2 in basketball contest

Brothers Tim and Tom Huebner, Antioch High School basketball players, are going to take some kidding from their teammates and Coach Roger Andrews.

They placed first and second respectively in last week's Antioch News basketball contest.

How? By picking Stevenson to beat their own team by 10 points. The final score: Stevenson 70,

Antioch 60.

Tim will console himself, however, with the first prize ... \$15 in cash from Laursen & Blackman Co., Contractors. We'll have his check in the mail later this week.

Tom can find some consolation, too, in a \$10 gift certificate from Candlelight Galleries, Inc.

TWO OTHER EXPERTS, frequent winners in our contest, also picked Stevenson by 10 points. Shirley Gutowski and Rodger Kruse will share third prize, gift certificates from the Piggy Bank Discount Store.

The tie-breaker made the difference in the prizes. Antioch defeated Jacobs by 14 points. Tim Huebner predicted 8 points, Tom Huebner 6, and

Rodger and Shirley each said Antioch would win by 2.

COMING CLOSE in last week's contest were Ron Vos, who picked Stevenson by 8 points; Mary Jane Huebner, who said Stevenson would win by 12; George E. Braddock Jr. of Lake Villa, who said 13; Tom Gutowski, 12; Donna Gutowski, 7, and Dave Volling, who also picked Stevenson by 7.

### New hockey club seeking support

A fund-raising effort is underway to support a new Antioch Youth Hockey Club.

Coaching the group is William Wozniak of Antioch, a former professional player.

Wozniak said about 40 boys of high school age have shown an interest and are practicing. The coach hopes to enter the team in a 28-game league at the Waukegan ice rink.

The schedule begins in March and the games, which are called "no-check" hockey, will be played on Sundays.

Wozniak said persons interested can call him at 395-5370.

"We do need money," he said.

"Donors can send cash or checks to the State Bank of Antioch where we have an account set up. Checks should be made out to the Antioch Youth Hockey Club, care of Preston Reckers, a vice-president of the bank."

**To a burglar, that living room light means Mr. Jones is home.**

**To Mr. Jones in Florida, that's a comforting thought.**

How do you keep an empty house from looking empty? With timing devices that turn lights on and off at pre-set times while you're away. To a would-be burglar, your house seems occupied.

Some devices have special light-sensitive cells that

automatically turn a light on at dusk and off at dawn. Some allow the on-off cycle to occur several times a night. The craftiest burglar would never suspect.

The best time to use timers is while you're on vacation or on weekends away from home. But it's a good idea to use them any time you're away. A burglar can take advantage of an evening on the town as easily as a two-week vacation.

You can pick up these burglar-proofing devices from your hardware, department or discount store for a few dollars. And they don't use any more current than an electric clock. That's a small price to pay for all the protection you're getting.
